## RESIDED IN CITY

JUDGE JACKSON DIED SUNDAY IN ATCHISON, KAN.

## WELL KNOWN IN COUNTY

As He Was Prosecuting Attorney of The County, and Was in Partnership With Judge Johnston.

Judge Horace M. Jackson, who died suddenly Sunday morning at his home in Atchison, Kan., following an illness of less than two weeks' duration, is well remembered in Maryville, having located in this city in 1870 and living here until 1878, when he started for Beloit, Kan., to locate, and stopped off at Atchison, where he decided to make his home.

Mr. Jackson located here in September, 1870, and later formed a law partnership with D. L. Palmer, as Palmer & Jackson. Mr. Palmer afterward located at Jewell City, Kan. January 1st, 1872, Judge Jackson formed a partnership which continued until December, 1878, with the late Judge Thomas J. Johnston, one of the best lawyers of Northwest Missouri. The partnership continued to the time of Judge Johnston's death.

During Judge Jackson's residence in Maryville he prevented the sale and sacrifice of the homestead of a poor widow, the mother of seven children, trying the case three times in the probate court and twice in the circuit court. At the conclusion she had her home, but only $2 with which to pay attorney's fees, and it was accepted in full.

He also revised the ordinances of the city of Maryville and wrote many new ones. He became prosecuting attorney and was a candidate for representative, being beaten by A. P. Morehouse, who was afterward elected lieutenant-governor, becoming governor of the state upon the death of Governor Marmaduke.

The Atchison Daily Champion had the following account:

Judge H. M. Jackson was born near Albion, Erie county Pa., July 11, 1839, and the same year his parents moved to Knoxville, Ill.

In the spring of 1861, H. M. Jackson started to DeSoto, Neb. At St. Joseph he got aboard a steamboat, and while in Nebraska City the captain of the boat received a message announcing the firing on Fort Sumter and the beginning of the civil war. When Judge Jackson landed at Omaha it was a straggling town of about 2,000 people. Arriving at DeSoto he began work on a brother's farm. Farming then was done with yoked oxen. Having accumulated some money, and feasting for a higher education, Mr. Jackson returned to his old home at Cambridge, where he again taught school and read law at night. He located in Versailles, Mo., in October, 1865, where he practiced law. Two months later he returned to Cambridge and married his schoolmate, Lavanchia Isabelle Velentine. During Judge Jackson's first year's residence at Versailles ten men were killed in that (Morgan) county as a result of political strife. In seeking a new location he went to Wichita in 1870, which then was a town of about 150 people, but he returned and located at Maryville, Mo., where he continued to practice law until 1878. In that year he started to Beloit, Kan., to locate, and stopped in Atchison on the way to take depositions. Here he met W. S. Greenlea and General W. W. Guthrie, in whose office he remained that winter. In 1878 a partnership was formed with Mr. Greenlea, which continued until the latter's death in 1880.

The death of Mrs. Lavanchia Jackson occurred on March 26, 1883. Three years later H. M. Jackson and Matilda Adams Rook were united in marriage, and she survives him. In the former marriage William Anthony Jackson, the present judge of the district court of this county, and Zaremba Edward Jackson who was associated with his father in the practice of law, were born. Mrs. C. A. Chandler is a stepdaughter, and at present lives in Kansas City.

H. M. Jackson was appointed judge of the district court by Gov. John A Martin, to fill out an unexpired term, which place he held until his successor was elected. In 1886 W. A. Jackson became associated with his father in the law office and five years later the son became a partner. Two years ago W. A. retired, being elected to the highest office within the gift of the people of Atchison county. Z. E. Jackson then became a member of the firm. For a number of years the firm were local attorneys for the Atchison, Topeka & Santa Fe and the Chicago, Burlington & Quincy Railroad companies.

## *News of Society and Women's Clubs*

**I X L Club.**

The I X L Embroidery club held its regular meeting with Mrs. Clinton Davis Wednesday afternoon, at her country home, just east of the city. After a season of embroidery a dainty two course luncheon was served by the hostess. The guests remained for some time after playing various games and returned home rather late for people of their good standing, which speaks well for the hospitality of the hostess. Three members were unable to be present, Mrs. W. R. Wells, Mrs. J. H. Eckles and Mrs. Robinson Craven. Those present were Mrs. David Mitchell, Miss Vida Mitchell, Mrs. Ernest Welborn, Mrs. Preston Seafers, Mrs. J. B. Henderson, Mrs. W. V. Norris, Mrs. John Bantz, Mrs. Cooper Gooden, Mrs. I. W. Nixon, Mrs. Melissa Casteel, Mrs. Anna Stauble and Mrs. Joseph B. Johnston.

**A Surprise Party.**

The regular weekly meeting of the teachers' training class of the Baptist Sunday school met at the home of Prof. B. F. Duncan Thursday evening for the purpose of studying the text of the lesson "The Resurrection" and of illustrating methods of conducting the recitations. These meetings cover a period of about an hour and a half and give the class an opportunity to bring out in a more thorough manner the topics presented in the main text, and are an incentive to more thoughtful study and research than are usually employed in the short time given to the work on Sunday mornings. A very pleasant and profitable meeting was held, and the class was well represented by the following members: Mrs. F. W. Olney and little daughter, Mrs. Wasson, Mrs. Burris, Mrs. Eugene Ogden, Mr. and Mrs. J. F. Cook, Mr. and Mrs. John Anderson, Mrs. Epperson, Mrs. Wardlaw, Miss Mabel Hunt, Miss Dora Allen and Rev. Lee Harrel. After the recitation was ended refreshments were served, consisting of ice cream and cake.

Prof. Duncan was taken completely by surprise, but after pulling himself together he went through with the work in a manner satisfactory to all.

**Returned Home for Funeral.**

Mrs. W. S. Swinford and little grandson, Truman Pasch; Mr. and Mrs. Dwight Swinford and baby daughter, Cornelia Alice, of Arkoe, and Mrs. A. C. Thompson of Barnard returned to their homes Thursday evening, having been called to Maryville by the death of their relative and friend Mrs. W. H. Swinford of South Main street, who died Wednesday night. They attended the funeral and burial services at noon Friday at Swinford church, near Arkoe, conducted by Dr. L. O. Bricker

## POULTRY SHOW ON

A LARGE EXHIBIT OF VERY FINE BIRDS IN KEELER BUILDING.

## WILL GIVE PIG AWAY

A Registered Poland-China to Be Drawn by Lucky Holder of Number on Admission Ticket.

The eleventh annual exhibition of the Northwest Missouri Poultry association opened Thursday, December 14, in the Keeler building with a fine exhibit and a large number of entries.

The birds are being displayed by some of the best known breeders in the state. The show is being visited by a large number of visitors from Maryville and surrounding country, who are either directly interested in the breeding of poultry or are getting ready to make an experiment of the business.

The showing is equal to any that has yet been given, and the officers, President F. P. Robinson, Treasurer E. L. Andrews, Secretary J. H. Sayler, Superintendents J. H. Sayler and L. M. Strader, are well pleased with the opening.

All who buy admission tickets Friday and Saturday will receive a numbered ticket on the registered Poland-China pig that will be given away Saturday afternoon to the lucky holder. The pig is also on display Friday.

It is impossible to single out the fine birds on display, for everyone knows that could only be done by an expert judge of the various kinds, but it looked to us as though the display could not well be improved on. Those who have made entries and the various breeds are:

White Wyandottes—Dr. E. L. Crowson of Pickering; Emma Jensen and Elmer Rhinehardt of Maryville.

White Plymouth Rocks—Mrs. Claude Moore and F. P. Robinson of Maryville, Ben Huber of Belton, Mo.

## ENJOYS THE CHANGE

RASCO SEEMS TO LIKE IT AT THE COUNTY JAIL HERE.

## NO CHANGE OF VENUE?

Crawford & Sayler, Ellis G. Cook and Ed E. Williams Rasco's Attorneys.

Hez Rasco, who is now in the county jail at Maryville awaiting trial, rested well last night and seems to enjoy the change from the Buchanan county jail to the jail here. He is to be arraigned before Judge Ellison on Saturday afternoon in the circuit court room at 3 o'clock.

The attorneys appointed by the court Thursday afternoon to defend Rasco—Ellis G. Cook, E. E. Williams and Crawford & Sayler—held a conference with Rasco at the jail Thursday afternoon and decided on some steps that they will take. After Judge Ellison had appointed Mr. Cook and Mr. Williams he decided also to appoint Crawford & Sayler, so Rasco will have some of the best lawyers possible from among the members of the Maryville bar.

It is thought that a change of venue will not be asked for by the attorneys for the defense, but this has not been definitely settled as yet. The attorneys for the defense wish to have a fair and speedy trial, and will not ask for any more time than is necessary to work on the case.

## ANNUAL DINNER TO BE HELD ON NEW YEAR'S

The annual business meeting and New Year's day dinner of the First Christian church will be held in the church on Sunday, New Year's day. In the morning reports will be read, and election of officers will take place. At the noon hour dinner will be served in the basement of the church.

**At the Crystal.**

The Crystal is doing vaudeville this week in addition to pictures and songs. The bill consists of clever singing and dancing, western pictures and illustrated songs. The vaudeville performance last evening was badly hindered on account of the failure of the baggage to arrive, which made it necessary for Miss Maizie to appear in her traveling costume. She has her wooden shoes and promises some good dancing specialties tonight. The price of admission is only ten cents for the excellent program of pictures, songs and dances. Two shows, beginning at 7:30 and 8:45.

## FUNERAL SERVICES OF W. W. JACKSON

The funeral services of the late William W. Jackson were held at 2:59 o'clock Thursday afternoon at the family home, on South Main street, and were conducted by Rev. A. M. Reynolds of St. Joseph, a former pastor of the First Presbyterian church of Maryville, who was a close friend of the Jackson family. He was assisted by Rev. W. J. Parvin of the M. E. church, South.

Rev. Reynolds read the 14th chapter of John, and based a most beautiful tribute to his departed friend on the contents of that Scripture, and all derived blessing and comfort from the service.

Several beautiful selections were sung by a choir composed of Mrs. W. F. Woodard, Mrs. C. D. Leffler, Miss Helen Leffler, F. M. Petty, W. H. Crawford, Fred Lewis and H. J. Becker.

Burial took place in Miriam cemetery. The palibearers were Martin A. Lewis, J. Lawson Scott, Charles Wadley, Roy Curfman, William Wells and John Dempsey.

Out-of-town relatives who attended the funeral were Mrs. Carrie Baxter of Red Oak, Ia., a niece of Mrs. Jackson, also her sister-in-law, Mrs. Mary Andrews of Kansas City, and a niece by marriage, Mrs. Anna Andrews of Enid, Okla.

**Visited Relatives Here.**

Frank Ridgeway of Glenwood, Ia., left Thursday morning, after a two days' visit with his sister, Mrs. W. R. Smiley, and his sister-in-law, Mrs. Fred Kurtz, and their families. Mr. Ridgeway came here from Lenox, Ia., where he had been to see his sick brother, Phil Ridgeway. He has become quite strong and rugged in the last few years, and his old friends here who knew him when as a young man he engaged in the lumber business in Maryville, can scarcely reconcile the strong matured man of today with the one of twenty years ago.

## REGENTS MEETING

SSEVERAL MATTERS OF IMPORTANCE TRANSACTED.

## STEPS FOR THE STATION

Board Decided to Hire Additional Teachers for the Normal School.

The board of regents of the Northwest Normal held a meeting in the new Normal building Thursday. The members present at this meeting were Anderson Craig, Judge William D. Rusk, W. G. Hine, O. P. Williams and State Superintendent of Schools Gass.

Several matters of importance were taken up by the board, and they adjourned that evening to meet in St. Joseph, December 29. This meeting in St. Joseph will probably be the last meeting that Anderson Craig and Judge Rusk will attend, as their terms as members of the board will expire January 4, 1911.

The recommendation of President Taylor that steps be taken by the board of regents to establish an agricultural experiment station at the Normal school in connection with the state university, and that the station be carried on by the Normal school with the co-operation of the agricultural department of the university was adopted and approved by the board. Steps will be taken soon by the board to establish this station. While there are many other departments in the school, the agricultural department is to be made a special feature in order to train teachers in agricultural work and to give practical demonstrations.

The board also decided to employ an additional critic teacher, a teacher for the manual training department and an assistant for the English department. These positions will be filled just as soon as the appropriation will justify it.

Prof. P. O. Landon made a proposition to the board as director of the music department of the school, which was accepted. He will take charge of that department as director and will organize three classes in public school music, one class in history and theory of music, supervise the music in the training school, conduct the singing in chapel and direct and instruct the various glee clubs and musical organizations of the school.

The following being recommended by President and the faculty, were granted a life diploma and elementary certificates: Life diploma to Miss Helen Todd; elementary certificate to Misses Jessie Mingus, Inez Rea and Hazel Caywood.

The board also decided to restore the salaries of those teachers of the Normal which were cut about a year ago to come within the salary fund.

The remainder of the time was spent by the board in detail work.

**Addressed High School Students.**

Dr. L. O. Bricker of the First Christian church addressed the students of the high school at assembly Wednesday morning, and talked to them about training their ears, minds and eyes to hear and think and see the best things. His talk was founded on the occasion of the baptism of Jesus, when a voice was heard from heaven and the spirit of God descended on Him in the form of a dove. Some of the people there that day heard the voice and the words; others said they heard angels' voices, while others declared they heard thunder. Each heard the thing he was prepared to hear, and told of it. Dr. Bricker admonished his young hearers to seek to see only the bright, happy side of things in every-day life, that they may be reflected in their lives, and thereby not only make glad all whom they meet, but reap a blessed harvest in their own lives; for "as a man thinketh in his heart, so is he."

**Were Here from Arkoe.**

Mr. and Mrs. M. M. Callahan, Mrs. J. T. Goff, Mrs. John Schneider and little daughter, Beatrice; Miss Bettie Schneider, Mrs. M. A. Logan, Miss Josephine Ault, Mrs. Thomas Duke and little son, Edgar, all of Arkoe were in Maryville trading with our merchants Thursday.

Mr. and Mrs. B. Lihnkuhl of Clyde were in town Thursday.

**Heart Strength**

Heart Strength, or Heart Weakness, means Nerve Strength, or Nerve Weakness—nothing more. Positively, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the Heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing Hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help.

If you would have strong Hearts, strong digestion, strengthen these nerves — re-establish them as needed, with

**Free Liver Remedy**

It is well to stop a physical ailment at the first signs of its approach, and that is especially true of liver trouble, which can eventually give rise to so many serious complications. Many have liver trouble and imagine it is indigestion, and hence take the wrong remedy.

When the liver does not store up sufficient gastric juices it becomes sluggish, and in this way disturbs the stomach and bowels, with which it is supposed to work in harmony. Then comes the sallow complexion, the pimply face, the dull pain in the forehead, the thinning of the blood, etc. A very quick and sensible way to stop the trouble as well as to cure it is by the use of Dr. Caldwell's Syrup Pepsin, which contains ingredients especially intended to promote the activity of the liver.

Among the many thousands who have written the doctor about the results achieved with his remedy, and who are glad to make the facts public so that others can help themselves, are Mr. Jas. Kennedy, St. Louis, Mo.; Mrs. S. A. La Rue of Smith's Grove, Ky., and many others.

These, like thousands of others, started the use of Syrup Pepsin with a sample. If you will send your name and address you can also obtain a free trial bottle. This will prove to you that liver trouble is promptly cured with this remedy or money will be refunded. Having tried it you can then buy it in the regular way of your druggist at fifty cents and one dollar a bottle, and the latter is sufficient for an entire family.

This remedy is a vast improvement over cathartic tablets and salts, which only do good for the time being. Syrup Pepsin is permanent in its results, is pleasant to take and does not gripe. It is especially good for all those who cannot stand a violent purgative.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, 509 Caldwell building, Monticello, Ill.

### HAIR HEALTH.

**If You Have Scalp or Hair Trouble Take Advantage of This Offer.**

We could not afford to so strongly endorse Rexall "93" Hair Tonic and continue to sell it as we do, if it did not do all we claim it will. Should our enthusiasm carry us away, and Rexall "93" Hair Tonic not give entire satisfaction to the users, they would lose faith in us and our statements, and in consequence our business prestige would suffer.

We assure you that if your hair is beginning to unnaturally fall out or if you have any scalp trouble, Rexall "93" Hair Tonic will promptly eradicate dandruff, stimulate hair growth and prevent premature baldness.

Our faith in Rexall "93" Hair Tonic is so strong that we ask you to try it on our positive guarantee that your money will be cheerfully refunded if it does not do as we claim. Two sizes, 50c and $1.00. Sold only at our store—the Rexall store. The Orear-Henry Drug company.

### Item for Women.

Marlboro, Mass., June 1, 1910.—I can frankly say that Parisian Sage has given me perfect satisfaction, and will highly recommend it as a hair grower and beautifier, and a sure cure for dandruff. I also have recommended it to several people, and it has given wonderful results.—Mrs. G. Barteaux, 26 Main street.

Cynthianna, Ky., June 3, 1910.—I have used only two bottles of Parisian Sage, and I find my hair has increased wonderfully in thickness and luxuriance and beauty. The dandruff all disappeared, I was wonderfully surprised, as I have tried many hair restorers, though I have found none that ever has helped my hair except Parisian Sage, so I can say it is worth all of the hair restorers I have ever found, and I will tell many friends about it. Gratefully your friend, Miss M. Clough, box 212.

The Koch pharmacy guarantees Parisian Sage to kill dandruff germs, eradicate dandruff, stop falling hair and itching scalp, or money back. It is the most delightful and refreshing hair dressing in the world and is not sticky or greasy. The Koch pharmacy and druggists everywhere sell it for 50 cents a large bottle. The girl with the auburn hair is on every package.

Be sure to attend the venison dinner at First Baptist church at 6 o'clock, Thursday evening, Dec 22. 16-17-20-21

### A CORROBORATION.

**Of Interest to Maryville Readers.**

For months Maryville citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills, by residents of this locality.

Would these prominent people recommend a remedy that had not proven reliable?

Would they confirm their statements after years had elapsed if personal experience had not shown the remedy to be worthy of endorsement?

No stronger proof of merit can be had than cures that have stood the test of time.

The following statement should carry conviction to the mind of every Maryville reader.

G. S. Kemp, R. F. D. No. 1, King City, Gentry county, Mo., says: "I give Doan's Kidney Pills my endorsement and I willingly confirm the statement I made in their favor some years ago. This remedy has been of great benefit to me and I advise other kidney sufferers to give it a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
